NATIONAL COLLEGE MATCH

FOR HIGH SCHOOL SENIORS

Full four-year scholarships
 to the nation's top colleges

The **QuestBridge National College Match** was created for high school seniors who excel academically but feel that the nation's best colleges are financially out of reach.

QuestBridge believes that you deserve to **reach your full academic potential**, regardless of your financial background. Through the National College Match, you could be admitted early to a top college with a **guaranteed full four-year scholarship**.

HOW IS IT POSSIBLE? QuestBridge college partners are actively seeking students who have excelled academically despite financial hardship, and **they partner with QuestBridge to find students like you**. They cover 100% of students' demonstrated financial need, so attending one of our 50 college partners can be very affordable. If admitted, you could attend a top college for free, with no loans.

HOW DOES IT WORK? The National College Match is a college and scholarship application process that connects students to early admission and **full four-year Match Scholarships** at top colleges. These generous financial aid packages are **loan-free with a \$0 parental contribution**. Finalists are selected by QuestBridge and will be considered by multiple college partners of their choice for the opportunity to be "matched" — admitted early with a Match Scholarship from the college. Finalists who are not matched have additional admission opportunities through QuestBridge and can receive financial aid packages that are often as generous as a full scholarship.

WHO SHOULD APPLY:

The National College Match is open to high school seniors who demonstrate:

- > **Academic Achievement:** Earn primarily A's in the most challenging courses available and display intellectual curiosity and strong writing ability.
- > **Financial Need:** Come from households earning less than \$65,000 annually (for a typical household of four) with minimal assets.
- > **Strength in Character:** Have resilience, integrity, and motivation to succeed.

MOST FINALISTS:

- > Rank in the top 5-10% of their class.
- > Score >1290 on the SAT or >27 on the ACT (if reported).
- > Qualify for free or reduced-price school meals.
- > Make meaningful contributions to activities at home, school, or in the community.
- > Are among the first generation in their family to attend a four-year college.

THE APPLICATION INCLUDES:

- ☐ Academic and financial information
